The Dromoland Castle Golf Academy is the most modern golf practice facilities in Ireland.

The stone clad, slate roofed structure houses 9 driving range bays and an additional fully enclosed teaching bay. All the bays are fitted with Golf-Tech's second generation fully automated 'Power Tees' - alleviating the need for bending down for your next ball and allowing more enjoyable and better quality practice time. With 4 bunkered target greens ranging between 100 and 250 metres and totalling 300 metres in length, the range provides a wide variety of shot selection.

In the summer months, the two 500 square metre grass teeing areas will be open for use. This will allow golfers instant feedback from conditions exactly as they would find on the fairways on the golf course.

The opening hours of the driving range will be extended by the use of non-intrusive floodlights. The range is open from 8am to 10pm.

The short game area includes two USGA specification greens with the same Penn A4/G6 Creeping Bent grass as used on the golf course - a 500 square metre Putting Green to hone the perfect stroke before you tackle Kirby's greens on the course, and a 450 square metre foot Bunker and Chipping Green. The Bunker and Chipping Green offers an number of lies, slopes and grass lengths to practice from, in addition to a riveted face links style bunker, which is an exact recreation of the 17th 'Road Hole' bunker at St Andrews and a well shaped, large greenside bunker.

Dromoland Castle's resident PGA Golf Professional, David Foley, will be available to provide tuition to all levels of golfer, from the complete beginner up to the budding Pdraig Harrington's. Personalised programs and state of the art teaching aids, including the V1 digital coaching technology, and methods will be used to allow the golfer to enjoy learning and developing the unique challenges that golf has to offer.

Warm-Up with a Basket of 25 Balls - €5

Before you play any round of golf, a good warm up is required. Ideally you should follow the same routine. A good stretch and a couple of practice swings to loosen up is a must to begin. Then hit a couple of shots with your wedge, then 8 iron, then 6 iron up to your Driver, then back down again to your sand wedge with the clubs you haven't hit. This routine should leave you in perfect shape for the 1st tee.

Bulk Purchase Swipe Cards with 5, 10, 20 baskets can be purchased from the Pro Shop at discounted rates.
